A club member has sent a link to the Dovey Osprey Project at the Montgomery Wildlife Trust. There is a live webcam situated up by the nest. Worth spending a few minutes looking at it.

Annual General Meeting - 8th May

The club Annual General Meeting will be held on Monday 8th May. Although the club AGM's rarely last very long, they are very important.

Please do your best to attend.

Club Annual Exhibition 13th & 14th May

It has been decided to cancel the club exhibition this year. The work and expense involved made it not cost effective to put on the exhibition for the little benefit to the club it provides.
