

Rugeley & Armitage Camera Club Newsletter

17th October 2020

www.rugeleyandarmitagecameraclub.com

Monday 12th October There was a good turnout on Zoom for Tony Gervis's travel log. It showed that age isn't a barrier for travelling the world. Mixing with the locals as well as travelling and taking photos makes Tony's travels special. Tony's favourite country was Uzbekistan with its multitude of tiled buildings, but he seemed to have a dislike of camels though his picture of a camel lorry transporter was pretty unique.

The time lag in the pictures and narrative reminded me of a sketch of the Two Ronnies, when they did a spoof Mastermind, where Ronnie Corbett answered questions with the answer of the previous question. This may have to be explained to our younger Members.

If you go onto Tony's you tube site he has two travel logs with numerous pictures and more detail how he has to plan his travels to the last detail ,so he gets an easy passage between countries.

When Marie, my Partner and I travelled to New England and Canada we managed 3000 miles in 15 days and took 4000 photos. The longest trip was 650 miles from Gulph in Canada to Killington in the U.S.A. We started at 6.30a.m and arrived at 6.30p.m averaging 55miles per hour including 15minute breaks every 2hrs. There's definitely an AV to be made when I have a spare moment.

No Meeting 19th November

Monday 26th October Guest Speaker David Keith Jones 1-Florence, 2-Africa.

This is a Zoom meeting and an invite will be sent by e mail.

Monday 2nd November Monthly Competition No. 2 PDI Subject "Open" Monochrome
Judge Kylie Martin.

Please Note PDI's for the above competition have to be sent to Dave Perry by **19th October**

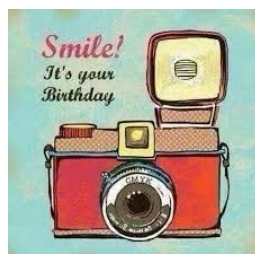

Send to dave.p46@sky.com

Photography on line Dave Hanmer sent in this useful link to photography programmes on You Tube. Worth having a look. Thanks Dave. Click onto link below,

Cannock Chase Arts Council

A big thank you to Dave Perry who attended on behalf of the club and received a grant of £150

As we are members of the Arts Council, we were invited to attend their AGM & Executive meeting to be held at Victoria Working Men's Club at Hednesford, we were advised that as an organisation they can still meet legally in a safe venue with a risk assessment in place.

We were invited to submit a grant application for funding, this was presented at the meeting and a cheque for a grant payment of £150.00 was received to help with the running of the camera club.

SMETHWICK
