Editor and general dogs body.....Graham Caddick

Thanks Margaret Beardsmore for organizing trip to Fradley and taking this photo of me your editor trying out my new 200-500mm lens.

During the summer break I had withdrawal symptoms not doing the newsletter and thought it would be a good idea to do a review of the previous season with easy links to the relevant dated newsletter. This will allow you to look at last years competitions to see what was flavour of the month and hopefully the members will maintain their high standards in this years competitions. This review will act as a contents page and will allow members to locate items instead of trawling though a years worth of newsletters.

It is a funny old world. The local judges do not seem to like these images but they do well on the Internationals
 Managed to get these into the Moldova International Arts Festival 2021 Even managed a Salon silver medal with the image entitled Heave

Well done Paddy on getting Acceptances to loads of internationals. The rest of the members will have to try entering. Best of luck for the coming season.
