Note:

For all club Print competitions members MUST also supply a JPEG copy of their images either by email, memory stick or flash drive.

Practical Evenings

These are for members to learn more about photography and their cameras. The Practical Evenings for this season will once again cater for everyone, and will range from basic camera use and simple editing through to more advanced techniques and practices.

The subject matter will be chosen to best suit the needs of the members as the season progresses. Join other members working in small groups listening and learning from our more experienced photographers.

Rugeley & Armitage Camera Club
