Monthly Competition No.3

Prints: Subject 'Still Life'

Judge: David Graham

This is a print competition. All prints and j pegs to be handed in on the 7th November. J pegs can be emailed to [dave.p46@sky.com](mailto:dave.p46@sky.com)

Our member Paddy Ruske has been busy as he received an acceptance plus a great thank you letter for judging a PDI competition. Well done Paddy, it goes to prove there are some good judges out there. Below is the letter.

Hi Paddy.

I just wanted to personally thank you for accepting my invitation and traveling from Lichfield to provide a very open, honest and constructive feedback from your wealth of experience as a well traveled photographer and active judge.

All the SCPC Members were truly engaged with your concise and elegant manner when dealing with a wide range of entries at our 2nd, Internal Competition. I got to say it's always very competitive between our members. But, your wise judgement prevailed. Your overall warmth, and kind manner when talking to our members was absolutely brilliant and all our members are looking forward to your "ICELAND - LAND OF CONTRAST PRESENTATION" this coming Friday.

Lastly, I and the members really appreciate you taking the time out to judge the PDI Entries from home. Unfortunately, the Laptop Mother Board is faulty and the club will be having to invest in a new computer.

I and Mr Dave Cooke, will be setting up the Meeting Room in readiness for both Prints and Projected Images from 7.15 pm. Just a gentle reminder to bring a HDMI Lead with you for your laptop. Looking forward to seeing you soon.

Kindest regards. Paul M Cook. SCPC Programme Secretary.

Hi all

Nice to know that some clubs appreciate the judge.

Was very proud to receive this

Only managed to get one acceptance in the Limelight salon... must do better!!!!

We received a request from Cannock Chase Arts Council to whom we are members of and receive an annual grant to take Images at the dress rehearsal of the performance 'RAF & Ready' performed by The Tower Players at The Prince of Wales Theatre 27th - 29th October.

We asked Mary & Odette if they would do this for us as they have previously represented our camera club by taking Images at the 'Support Staffordshire' award ceremony and made a huge success of it. Wednesday night's dress rehearsal performance was a long night for them but they have done an amazing job of it, look at the pictures here and later on our website. Thank you both so much for offering & carrying out this project for our camera club you're both amazing!

If any other members would like to be considered for taking Images at any other external events that we are Invited to like those mentioned, please let me know for future reference.

Carole (Chairperson)

On 26th October Mary & Odette represented the club by carrying out a photo shoot at the Prince of Wales Theatre in Cannock. This was for the show R.A.F & Ready in Hednesford. Firstly this had many challenges. That of coverage from the getting ready and capturing many people in different places all over the theatre, to the extreme darkness and shooting where the stage lights were. This gave great scope for us to learn from very quickly for good results.

We got to meet many people and speak to them about their roles and get to know them a little. All were very friendly and welcoming. needless to say we had some giggles along the way. We were shooting all the way through the dress rehearsal, which proved to be a long show. One with great attention to details and facts and extremely interesting. We were hooked and couldn't help but become involved in the story and this helped us to try and capture this in some of our images. We both said how impressed we were with the show and the story, very well done.

We hope that we have represented the club well and hope you enjoy some of the images here for you all to see. Unfortunately we are unable to share these anywhere else.

Mary & Odette.
