Newsletter

7th August, 2023.

Affiliated to the Photographic Alliance of Great Britain, through the Midland Counties Photographic Federation

A message from our Chairperson Carole Perry on behalf of club members.

We would like to give a **'very big thankyou'** to Graham for doing the newsletter tirelessly each week for the last 3 years. The newsletters were packed with Information not only about our club, but events at other clubs too, forthcoming competitions and lots of graphics in all editions. He deserves a break from the weekly task but I'm sure Marie will soon give him another job to fill his time! However, Linda has offered to take over the role of Newsletter Editor and I'm sure we will see a different style to Graham's but we can still look forward to an Informative and enjoyable read each week, thank you Linda.

Our new camera club year is nearly upon us, where did the summer go!! The committee has been busy arranging the program ready for the New Season, please take a look at our program on the club website www.rugeleyandarmitagecameraclub.com/program/.

If any member has anything they would like included on future Newsletters please let me know, whether it's an interesting place to visit, a forthcoming event that might be of interest to other members or an achievement that would be great to share with everyone.
