

# Rugeley & Armitage Camera Club Newsletter

September, 2023.

*Affiliated to the Photographic Alliance of Great Britain, through the Midland Counties Photographic Federation*

## Last weeks speaker - Les Arnott

Les went through general settings that apply to most camera's and explained why he uses Auto ISO to capture the beautiful wildlife photo's he takes. Modern software is more than capable of dealing with the noise. The most important way to learn is how to use your camera, need to understand the setting's and most importantly—just practice.

A big thank you to Les Arnott on behalf of members for his informative and knowledgeable talk last Monday. Towards the end of the evening Steve Moore was able to put into practice Les's advice.

Stephen Frost proved to be an excellent model for this occasion, being photographed showing of his tennis skills.

## Presentation Evening

including a Buffet is on

**Monday 23rd October**

This a 'Ticket only evening'

**Tickets will be on sale from

## GRANT FUNDING

In order to help with grant funding and local awareness of the club we sometimes do photography for local community groups.

The display boards pictured are the result of a photo project to advertise some of the activities in Rugeley Library.

If any of our members would like to be involved in future projects or one-off photo opportunities I would be very happy for your participation, no matter which level of skill you are at.

Please feel free to have a chat with me on Monday evening or email [margaretbeardsmore@gmail.com](mailto:margaretbeardsmore@gmail.com).
