3rd December, 2023.

Affiliated to the Photographic Alliance of Great Britain, through the Midland Counties Photographic Federation

Our last meeting on Monday 27th November was a very successful practical evening. Volunteers (club members) gave up their time and knowledge to help members with mount cutting, Photoshop, Lightroom, long exposure, photo stacking, Triptych's, photograph resizing for competitions and image critique. There was something for everyone to enjoy. A very big thank you to Stephen Frost who puts in a lot of time and effort organising our practical evenings. Already looking forward to the next one!

Next meeting

Our meeting on Monday 4th December is the **"George Lamb Trophy Competition"** for Landscapes. The judge for the evening is Rob Ings.

Have a great day

If anyone is interested in trying to see the **Northern Lights**, there are some interesting apps available for your phones. This year seems to have been a good year for spotting the Aurora with some great photographs on Facebook and Flickr and some taken very locally. We now just need some clear skys!
