

Rugeley & Armitage Camera Club Newsletter

25th February 2024

Affiliated to the Photographic Alliance of Great Britain, through the Midland Counties Photographic Federation

This is going to be a short newsletter this week due to the fact Chris is suffering from man flu and I definitely have something far worse. I apologise in advance for any typing errors as my eyes are running so much I am struggling to see the screen.

Last weeks meeting was a skills evening with a difference. Members sat in "Camera Make" groups and discussed anything from settings, gadgets, lenses, etc. The evening started with Graham handing out certificates from the Presidents Trophy Competition. It was noted that the majority of the certificates were awarded to members sitting on the Canon table. It was good evening where members mixed and socialised in a relaxed atmosphere. Looking around at all the camera gear sitting on tables, I did wonder what the total value of equipment would be! I think we would be staggered.

It was good to see the new display boards being used with photographs being displayed from the Presidents Trophy Competition. Thanks to Sally's hard work in obtaining further funding through the Inclusive Communities Fund, we will soon have a second set.

The selection team were also able to select from the photographs on display some great images for consideration in the Acton Trussell & Penkridge Interclub Competition on the 11th March - (Remember Richard Moore, this is not a battle).

Upcoming Meetings

26th February

PDI competition on the subject of "Transport"
Judge is Mike Sharples

4th March

Speaker- Mike Taylor
Presentation - "Still Learning"

11th March

Acton Trussell & Penkridge Interclub Competition

Don't forget to enter the club Quiz, you still have plenty of time to win yourself £10. Quiz is on last weeks newsletter.
