

# Rugeley & Armitage Camera Club Newsletter

21st April, 2024

*Affiliated to the Photographic Alliance of Great Britain, through the Midland Counties Photographic Federation*

**Our last meeting** was a practical/skills evening with a difference. The evening consisted of Audio Visual presentations by members of the club. Presentations including flowers, planes, beautiful puffins, kaleidoscope patterns to name but a few, all accompanied by a varied music choice. A thank you to all members who contributed and entertained us all for the evening. Stephen mentioned at the end of the evening that we had not seen all of them, so maybe another evening in the planning!

## Photofolio 2024

A final call for printed images for the Photofolio 2024 competition. The selection committee are looking for members to let them have a look at their very best images. If you have prints, colour or mono that you would like us to consider to represent the club, please bring them in for us to look over at the meeting on Monday 22nd April. The categories we have to select for are colour, mono and PDI.

Members had a good selection of acceptances in Midphot which we have not seen or used yet, could you please consider bringing these in. This is a representation of the club so please let us have a look at your work. Images cannot have been entered in Photofolio before and must not have been entered into any public competition prior to 31st December 2022.
