Our last meeting was the last Practical Evening of the year, we just have the Ladies v Gents battle to go. As usual Stephen Frost with the aid of Roy Harrison put on a great collection of still life setups for members to photograph. The practical evening was well supported by members, some have posted photos on the group Facebook page. A big thank you to Stephen and Roy for all their effort in putting together these practical evenings.

A few images taken on the night from Janet Taylor and the black and white image by myself. I thought the “reading people” were just brilliant.

Ladies v Gents - Season Finale Monday 10th June

Our final club meeting until September and what a way to finish the season. The men are going to try and retain their dignity by winning again this year, but unlikely.

Look forward to seeing you all on Monday to cheer on your respective gender (or the opposition if you wish).
