6th October, 2024.

Affiliated to the Photographic Alliance of Great Britain, through the Midland Counties Photographic Federation

Last week our guest speaker was Monica Doshi with her talk titled "Monica on Tour".

Monica took us around the Outer Hebrides, mainland Scotland, to the Lake District and Shropshire to name but a few places, travelling in her campervan. She also travels the world with her main focus on Wildlife Photography. Monica commented quite a few times that a judge would not like her images as she breaks the rules. Looking at these beautiful images, we should all break the rules, definitely don't let them hold us back. Monica volunteers for several of the wildlife groups in the UK and has had the chance, especially during lockdown to spend her time in the most beautiful surroundings.

Monica has been a finalist in British Wildlife Photographer of the Year and short listed for Scottish Landscape Photographer of the Year.
