Just a short Newsletter this week. With just two meetings left before the end of this current season, the best has been kept to the last.

Don't forget just 1 day left to enter Carole's Creative Competition, closing date is May 31st. This is a trophy awarded to a member who's image is creative or fun.'. Your entry can be of any subject, it can have been manipulated, set-up or straight from your Camera/phone, you just have to let your creativity break through. It must be your own work. All you have to do is send your PDI (to club sizing) to [David Perry](#). You can send in as many entries as you wish.

On Monday 1st June we have a Practical Evening. Stephen has booked three models, Ben who we have had before and two new models Sam and Mark. The set up will be for studio portraits with the usual lighting and backdrops to suit the models. **Members are asked to bring their cameras and tripods for an evening of fun.**

Finally our last meeting on the 8th June is the ***Ladies v Gents Competition***. **Ladies and gentleman of all groups** are invited to participate in this competition (2 images each) you can enter new images or ones that you have entered in previous competitions (not a previous Ladies v Gents competition). This is a print competition, but please remember to send a PDI copy of your images to [Graham](#). The last date for entries is the 1st June. This is always a very close fought competition, so please make an effort to enter and support your fellow competitors.

Don't forget your images for the Ladies v Gents must be in by the 1st June
