

Rugeley & Armitage Camera Club Newsletter

3rd October, 2026

On Monday 28th September our club held it's first competition of the New Season which was an "Open PDI". Our judge for the evening was Mike Glyde. Mike had an incredibly difficult job in all three groups as the standard of images was so high and the genre was wide. Mike made constructive comments on all the images, taking a little longer with the Elementary and Intermediate groups, although all of these could easily have been in the Advanced group. Overall the PDI's were of an exceptional quality and this was seen with the high scoring in all groups. Well done to all who entered, the Selection Team now have the hard task of selecting just a few of these images to represent the club at the Staffordshire PDI Competition in November.

MASTERS OF PRINT

REMEMBER that we are looking for mostly unseen prints. If it has appeared in National Catalogues or Exhibitions, it is less likely to be accepted by the Masters of Print - we are looking to curate an exhibition very different from other Salons and you might as better than you think - with images that are "different" and don't do as well elsewhere.
